Report of the Events:

The multiplier events for Rural GCE project took part in 2 times.

The first time took place at Camino de Vera s/n, Edificios 3P, 3H in Valencia, Spain. In this ME 30 people took part in it.

The second ME took place at Co-Working Dandy, Carrer d'Antoni Suarez, 34, in Valencia, Spain and 24 people participated in it.

In total 54 people participated in the event.

The participants were representatives of adult training organizations and VET education and educational experts. All of the representatives have experience with teaching and training materials and were interested in the LME course.

The Rural GCE Handbook and the LME were the main focus during the event. The participants discussed all the topics that are included in the Handbook.

The overall opinion of the platform and the content of the LME was positive. They expressed good feedback and also some participants showed interest in participating in other ME about this subject. They thought that the content showed was clear and that a lot of people can learn out of it.
